Concord Music Hall

Graphic Design Intern

As a graphic design intern for a mid-sized music venue in Chicago, IL I worked across digital and print platforms to adhere to the venues aesthetic and uphold design standards. I was responsible for weekly assets including social cover photos, 1/4 page ads, GIFS, venue calendar, IL Entertainer ads, this week ads, snap chat filters for shows, slides for shows, and resizing tour graphics. At Concord I gained project management skills, typography skills, production skills, and mastered resizing & spacing elements,

Live Nation Chicago

Graphic Design Intern

As a graphic design intern for Live Nation Chicago I worked with the design team to create web banner ads, billboards, and print ads for Live Nation tours in the Midwest. I performed work for the design team fulfilling design requests from marketers via Google docs. At Live Nation I developed and practiced creating cohesive ads on various platforms. I mastered layouts and execution of web banners, print ads, and digital billboards adhering to the design standards at a large corporation.
